Let's discuss  
3 points about Faith!

1. Faith is a supernatural response to natural circumstances.

Shadrach, Meshach, and Abednego placed their complete confidence in God; above all things and all people. They had faith that God would protect them.

Faith is a cure to troubled emotions.

Instead of allowing fear to control their emotions, they put all of their trust in God; therefore, they were able to keep their emotions together during the process.

Faith directed by God has the assurance of  
victory.

By having faith in God, he sent an angel to protect them and they  
were set free from the furnace. Shadrach, Meshach, and  
Abednego were VICTORIOUS!
